Want to participate in the Our Family® Direct Your Labels™ program?

By buying Our Family brand products – and saving the UPC barcodes from those cans, boxes and bottles – store guests can help schools, faith-based and other community organizations earn money for textbooks, art supplies and more.

All preschool and K-12 schools are eligible to receive money through the Direct Your Labels program, as well as school-sponsored organizations such as athletic teams and drama clubs. Faith-based and community service organizations are also eligible, as are nonprofit organizations with a 501(c)(3) designation.

For each bundle of 500 Our Family UPC barcodes collected, participating organizations can earn \$25.

To get started collecting labels, you need to make sure your nonprofit organization is registered through the Direct Your Labels program. To do so, fill out the registration card below and mail it in, along with a completed W-9 Tax ID form.

From there, you can use the information provided in the rest of the Our Family Direct Your Labels toolkit to help your favorite school or nonprofit earn money through our shop with purpose program!
